

## Compact/Traveling Visual Schedule

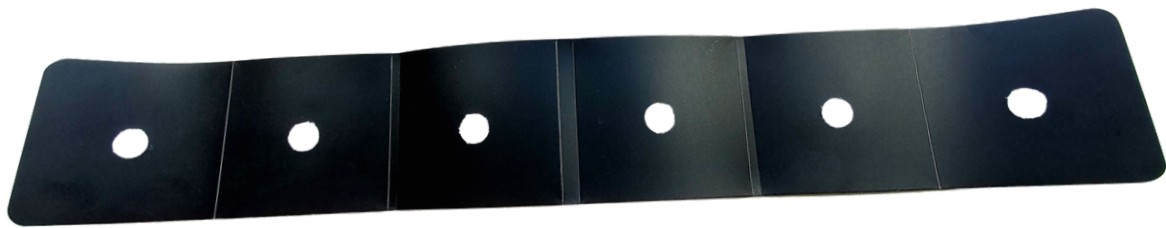

Compact/Traveling Visual Schedule includes:

- 1 x travel schedule board
- 6 x hook coin fasteners
- 1 x hook fastener strip
- 1 x loop fastener strip

# Assembly Instructions

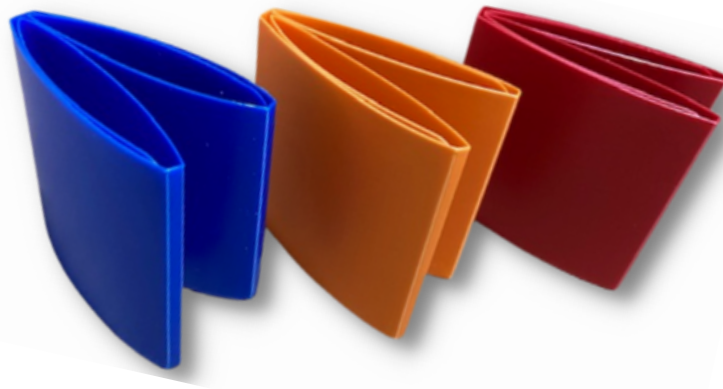

Unfold the travel schedule.

Apply one hook coin fastener to the centre of each folded square.

---

On the reverse side apply the hook fastener strip to the second square from the top (in the middle by bottom fold line) and the loop fastener to the second square from the bottom (in the middle by top fold line).

This will allow you to fold and secure the schedule so it fits into a pocket or bag.
